

Joint Project Free Medicine Bank

RC Balaju and RC Kritipur

The **Free Medicine Bank** was successfully inaugurated at **Kirtipur Hospital** on **13th October 2025**. The initiative was made possible through the generous contribution of the **members of the Rotary Club of Balaju** and the **Rotary Club of Kirtipur**, with valuable **technical support from phect-Nepal**.

The program aimed to provide essential medicines free of cost to underprivileged patients, ensuring better access to healthcare services. The event was attended by representatives from both Rotary Clubs, hospital officials, and community members, who expressed appreciation for this meaningful contribution to public health.
